

Community Sponsorship Ireland is a programme where groups can sponsor a refugee family and welcome them into a community in Ireland.

This initiative supports a refugee family to resettle, find safety during their times of hardship, and provide them with an opportunity to build a new future.

There are many ways to get involved. Please talk to us about how it works. The reward of welcoming a family is magical.

The family ..

” We didn’t expect to find another family waiting for us. We are overwhelmed with the kindness of people. We didn’t expect all of the generosity that we received from the community here ”

The Group ..

” It was no burden on anybody; we’re getting back far more than we’ve put into it ”

There are many ways to get involved. You can lead a community sponsorship group, you can join a community sponsorship group to help before or after the family arrive, or maybe you have a property that a group can use to house a family in your town?
